29 My biggest hope and something that I

30 would love to happen would be that,

31 as a whole, you know, humans all

32 around the world find a way to live

33 more in harmony with each other and

34 with the world that we live in.

5 Well, I'm an older man now. I get up earlier  
6 so I can get a longer day. I hope for a longer  
7 day, I suppose.

8  
9 When I wake up in the morning I hope,  
10 personally, that I can put something back,  
11 that I am doing something good that will  
12 have a greater benefit for people.

13  
14 I'm just hoping to make a success of my  
15 business, with my family's backing.

16  
17 My greatest hope is to make this one song,  
18 (and then) one song that could change the  
19 hearts of millions of people, if not the first  
20 time but the second time they hear it.

21  
22 I just hope people can learn to live in peace.  
23 I mean, there just seems to be an awful lot  
24 of hatred and wars for really no reason.

25  
26 My hopes are for a return to values of  
27 fairness and equity.
